IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

RETENTION OF INFORMATION. This disclosure contains important information about our home equity line of credit, 10 Year Flexline - Interest Only - Home Equity Line of Credit ("Account"). You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS. All of the terms described below are subject to change. If these terms change (other than the Annual Percentage Rate) and you decide, as a result, not to enter into an Agreement with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

SECURITY INTEREST. We will take a security interest in your home (collateral). You could lose your home if you do not meet the obligations in your Agreement with us.

POSSIBLE ACTIONS. We can terminate your Account and require you to pay us the entire outstanding balance in one payment if: you engage in fraud or material misrepresentation in connection with the Account; or you do not meet the repayment terms; and/or your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if: the value of the dwelling securing the Account declines significantly below its appraised value for purposes of the Account; or we reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances; or you are in default of a material obligation in the Agreement; or government action prevents us from imposing the Annual Percentage Rate provided for or impairs our security interest such that the value of the interest is less than 120 percent of the credit line; or a regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice; and/or the maximum Annual Percentage Rate is reached. The initial Agreement permits us to make certain changes to the terms of the Agreement at specified times or upon the occurrence of specified events.

MINIMUM PAYMENT REQUIREMENTS. You can obtain advances of credit for 120 months (the "Draw Period"). During the Draw Period, payments will be due monthly. Your minimum periodic payment will be equal to the interest that has accrued on your Account as of the closing date of each billing statement.

BALLOON PAYMENT. After the Draw Period ends, you will no longer be able to obtain credit advances. Paying only your minimum payment may repay less than the outstanding balance at the end of the Draw Period. You will be required to pay the entire unpaid balance that you owe and any outstanding fees or charges at the end of the Draw Period in a single balloon payment.

MINIMUM-PAYMENT EXAMPLE. If you made only the minimum monthly payments and took no other credit advances, it would take 10 years to pay off a credit advance of \$10,000.00 at an **ANNUAL PERCENTAGE RATE** of 9.00%. During the Draw Period, you would make 120 monthly payments of \$75.00. This would be followed by one final payment of \$10,075.00.

FEES AND CHARGES. To open and maintain your Account, you must carry insurance on the property securing your Account and pay us the following fees:

Application Fee (excludes Private Banking customers)	\$130.00	**
In House Evaluation Fee	\$150.00	**
Mortgage Registration Tax .23% of your credit limit		**

** Payable at closing

You must also pay certain fees to third parties. These fees generally total between \$484.95 and \$1,234.95. The following are the third party fees you must pay:

Tax Service Fee	\$73.00
E-Recording Fee	\$5.00
Credit Reporting Fee	\$4.95 e
Mortgage Recording Fee	\$65.00
Title Charge (Title Ins, O & E)	\$325.00 e
Appraisal Fee	\$750.00 e
Flood Fee	\$12.00

If you tell us you have decided not to enter into the Account within three business days of receiving this Disclosure and the Consumer Financial Protection Bureau brochure "What You Should Know About Home Equity Lines of Credit" in person, or within six business days after the day we mail them to you, as the case might be, any fees or charges you might have already paid will be refunded.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Account.

OTHER PRODUCTS. If you ask, we will provide you with information on our other available home equity products.

VARIABLE RATE FEATURE. The Account has a variable rate feature. The Annual Percentage Rate (corresponding to the periodic rate) and the minimum payment can change as a result. This Annual Percentage Rate does not include costs other than interest. The Annual Percentage Rate is based on the value of an index. The index is the base rate on corporate loans posted by at least 70% of the 10 largest U.S. Banks known as the Wall Street Journal Prime Rate and is published in the Wall Street Journal. To determine the Annual Percentage Rate that will apply to your Account, we add a margin to the value of the index. Ask us for the current index value, margin and Annual Percentage Rate. After you open an Account, rate information will be provided on periodic statements that we furnish to you.

RATE CHANGES. The Annual Percentage Rate can change daily. The maximum **ANNUAL PERCENTAGE RATE** that can apply is 18.000%. Apart from this rate cap, there is no limit on the amount by which the rate can change in any one-year period, except that under no circumstances will the rate ever be less than 4.750% per annum.

CONVERSION OPTION.

At your discretion, you may opt to convert a portion of your outstanding Account balance, to a fixed-rate, fixed term loan ("Fixed-Rate Conversion Loan"). No Fixed-Rate Conversion Loan, however, may bear either a maturity date that extends beyond the maturity date of this Agreement. There are no restrictions on the number of times you may exercise the conversion option during the term of the plan.

Each Fixed-Rate Conversion Loan will be assessed a \$100.00 one-time processing fee.

If you choose to convert any portion of your balance to a fixed rate, the rate will be the base rate as posted by at least 70% of the 10 largest U.S. Banks known as the Wall Street Journal Prime Rate that is in effect at the date of conversion plus a margin of 2.00% ("Conversion Rate").

At the inception of each Fixed-Rate Conversion Loan, the minimum payment amount will be the amount required to satisfy the outstanding principal balance of that loan plus interest at the Conversion Rate in equal payments over the remaining term of the loan. Any payments made towards the outstanding principal balance of your Fixed-Rate Conversion Loan will be available for you to access under your Account once those payments have been posted.

MAXIMUM-RATE AND PAYMENT EXAMPLE. If the **ANNUAL PERCENTAGE RATE** equaled the 18.000% maximum and you had an outstanding balance of \$10,000.00, your minimum payment would be \$150.00. The maximum Annual Percentage Rate could be reached the first time your Annual Percentage Rate changes, unless your initial rate is equal to the maximum, in which case it would be reached immediately.

HISTORICAL EXAMPLE. The following table shows how the Annual Percentage Rate and the minimum payments for a single \$10,000.00 credit advance would have changed based on changes in the index over the past 15 years. The index values are from the rate in effect as of the first business day of April of each year. While only one payment amount per year is shown, payments would have varied during each year of the Draw Period. The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.
